

District Assemblies Performance Analysis

Hi Mr. Mensah (Grandpa),

TL;DR: This report analyzes the performance of district assemblies across various indicators. The top five districts based on total scores are Bodie, Sefwi Akontombra, Ejura Sekyeredumase, Sefwi Wiawso Municipal, and Adansi North, with Bodie leading the rankings. The Western Region houses the highest number of top-performing districts, followed by Ashanti. The report also highlights the best districts under the birth registration indicator, with Bodie leading once again. This detailed analysis provides a comprehensive view of district-level performance to aid in decision-making.

Paragraph 1:

- ❖ Total Regions: 4
- ❖ Total District Assemblies: 94
- ❖ Total Score: 19000
- ❖ Average Score: 201
- ❖ Minimum Score: 54
- ❖ Maximum Score: 481

Paragraph 2:

District Ranking by Total Score

The top five districts ranked by total score are:

- ❖ Bodie (Western Region) - 481 points
- ❖ Sefwi Akontombra (Western Region) - 427 points
- ❖ Ejura Sekyeredumase (Ashanti Region) - 412 points
- ❖ Sefwi Wiawso Municipal (Western Region) - 368 points
- ❖ Adansi North (Ashanti Region) - 353 points

Paragraph 3:

Regional Analysis

The Western Region stands out with three districts (Bodie, Sefwi Akontombra, and Sefwi Wiawso Municipal) in the top five. The Ashanti Region follows with two districts (Ejura Sekyeredumase and Adansi North) in the top five, showcasing the strong performance of these regions in the overall district rankings.

Paragraph 4:

Best Performing Districts in Birth Registration

The top ten (10) districts under the birth registration indicator are:

- ❖ Bodie (Western Region) - 212 birth registrations
- ❖ Sefwi Akontombra (Western Region) - 196 birth registrations
- ❖ Wassa Amenfi Central (Western Region) - 153 birth registrations
- ❖ Obuasi Municipal (Ashanti Region) - 145 birth registrations
- ❖ Atwima Kwanwoma (Ashanti Region) - 137 birth registrations
- ❖ Wassa Amenfi East (Western Region) - 133 birth registrations
- ❖ Adansi North (Ashanti Region) - 133 birth registrations
- ❖ Birim North (Eastern Region) - 133 birth registrations
- ❖ Sefwi Wiawso Municipal (Western Region) - 121 birth registrations
- ❖ Ejura Sekyeredumase (Ashanti Region) - 120 birth registrations

Paragraph 5:

Additional Insights

- ❖ The Western Region emerges as the dominant performer, both in overall scores and in specific indicators like birth registration.
- ❖ The Ashanti Region also shows significant achievements, particularly in the districts of Ejura Sekyeredumase and Adansi North.
- ❖ The high ranking of multiple districts from the Western Region suggests effective governance and administration in these areas, which could be a model for other regions.
